

Going on a class trip

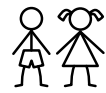

On I will be going with my class

To get there we have to travel by bus/train or coach.

I normally have my with me, but as it is a school trip,

my teacher will be there to take care of me and the other children..

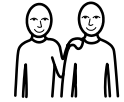

Just like my the other adults will make sure that I am

safe.

I will try to stay close to the adults to keep me safe.

A school trip can be pleasant, and I will be with my friends.

I can try to enjoy the journey and look forward to going

This will make all the adults very happy.
