A Year of Publishing Diversely (as a prelude to doing so for ever) - Barrington Stoke

Barrington Stoke have made the following commitment:

We're going to ensure that every contemporary title accurately reflects the "truth of the society we live in."

They provide a range of **hi lo** (high interest, low ability) books, meaning the content is appropriate to the age of the reader but the text is edited to suit a lower reading age and ideal for pupils with dyslexia/literacy difficulties.

Reading ages (RAs) range from 6 to 8+ and **interest ages** (IAs) from 3+ to Teen. You can view any title on the website where you will find the RA and IA listed.

Every child can be a reader - Barrington Stoke

You can **download sample pages** for different RA/IA combinations to try with your child before you buy. <u>Download reading age samples.</u>

If you don't know your child's reading age, ask them to look at the samples and cover any words they can't read with a finger. If they cover more than five words per page, assume it is too difficult for them right now.
