

# **Getting the right kind of support: Education, Health & Care Plan**

**Sometimes you might need more help in school, college or training than they can give you.**

**If so, you might have an Education, Health and Care Plan.**

- This is sometimes called an EHC plan.

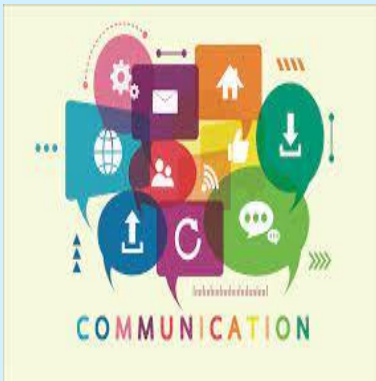

**What is in an EHC plan?**

- The plan is about you..
- Each plan will be different..

## The EHC plan will:

- Use information from your EHC Needs Assessment.

## It will say:

- Who you are?
- How you communicate?

## It will say:

- What you want to achieve?
- What sort of support you need?
- How much support you need?

## If you are over 18 it can still help you:

- to finish your education or training.

### **It will also say:**

- Why you need help with things?
- How often you must get support?

### **It will also say:**

- where you go to school or college
- If you do!

### **Once the support is in the plan:**

- The support must be given to you.

### **All the people that support you will be able to see your plan:**

- It should help them work together to support you.

## It is your right:

- To say what you think should be in the plan?
- To say who you want to see the plan?

## Who can get an EHC plan?

- Children and Young People who are aged 25 years or under.
- If they need more help with learning or support than their school can give them.

**The plan will stop once you are 25 years old.**

## Or if you:

- Go to university.
- Get a job.

## Or if:

- the local authority think you do not need it anymore..

## Remember!

- It is your plan.
- You can tell the local authority if you agree or not.
- The local authority must listen to you.

**The Local Authority is the Royal Borough of Greenwich.**

## If you need help:

Contact the **Information, Advice and Support Service (SENDIASS)**.
