# ABC OBSERVATION SHEET - EXAMPLE

**Child's Name:**                **DOB:**                **Setting :**

| Behaviour causing concern: |
| --- |
| |

| A – Antecedent | B- Behaviour | C-Consequence |
| --- | --- | --- |
| **Antecedent =** Where and what is happening before the displayed behaviour. | **Behaviour =** what behaviour was displayed by the child | **Consequence =** what happened after the displayed behaviour. How did the Practitioner respond? |
| **2nd May - 9.30am –** <br> **Child was scooping and pouring with the sand, using a bucket and spade alongside 3 other child at the sand tray.** | **Child threw sand at (other child)'s face.** | **Other child cried. Adult approach and said 'don't throw the sand', child ran and crawled under a table. When left alone he came out after 5 minutes and chose to play with the cars.** |
