

Record of Intervention/ Actions Observed

Childs name: **Janet Down**

Date:	Who/ What:	Comments/ Outcome:
<p><b>25.10.16</b></p>	<p><i>Janet will use her hand to remove a light weight cloth to find an object that she has seen being hidden.</i></p>	<p><i>Janet watched her key person carefully for a few moments today. She listened for her cue then tried four times to pull away the cloth covering the hidden object. On the fifth attempt Janet pulled off the cloth and smiled.</i></p>

**Please record each time an activity is carried out and the outcome of the activity**
