

Bricks in a tube.

Place tube on floor or table.

Adult holds tube and all the bricks.

Adult holds a brick up (near your face if you want to encourage child to make eye contact).

Say (child's name) e.g. 'Sarah's turn' and give them the brick to put in the tube.

Say (Adult's name) e.g. 'Tom's turn' and put the brick in the tube.

Continue taking turns as above until all the bricks are in the tube.

Say 'ready steady.....go' lift up the tube to reveal the tower of bricks that can then be knocked down.
